# KaoChase Racing

Game Description

Be the fastest on the road to stop a dangerous criminal before he crosses the border... You have to chase the enemy car (shown by the arrow) before the end of the road! The line at the top of the screen represents the length of your route. Check your fuel level carefully; if you run out, you fail the mission!

Game score

KaoChase revives the video game glory which thrilled so many arcade gamers. The title from Kaolink could be called an unofficial re-make of the superb Chase HQ, and one which should provide hours of gaming fun.
