

Cocoto Kart Racer

© KAOLINK 2005

Game Description

The magic pot of Cocoto, which holds the magma, the source of all the powers of the little demons, has disappeared! This must surely be the work of Zaron, the god of lightning, who has always coveted their magic powers.

Join Cocoto and his friends in frenzied racing action. Win the championship and find the magic pot, or the little demons may lose their powers for ever...
