

3D POOL

Release Date
August 2004

Rack up the balls and chalk up your cue and settle down for a game of "3D Pool"
Choose from 4 different coloured tables and play on your own, against the phone or with a friend. View the play in real-time 3D. Rotate around the table to find the best shot and try to pot all your balls before your opponent.

In development for the following handsets:

Nokia 3510i, Nokia Series 40, Nokia Series 60,
Sagem MyV65, Motorola V525, SonyEricsson K700i, Panasonic X60
Sharp GX-10, Sharp GX-20, Sharp GX-30
