

POOP SCOOP

Release Date
March 2004

Scoop poop against the clock in this funny and exciting zoo cleaning simulation. You must clean all the cages, removing all poop before the Mayors visit tomorrow, and make sure all the animals are securely shut in their pens. Do not let the Mayor take any unintentional mementos home from his visit to the zoo!

In development for the following handsets:

Nokia 3510i, Nokia Series 40, Nokia Series 60,
Motorola V300, SonyEricsson Z1010, SonyEricsson K700i
Sharp GX-10, Sharp GX-20, Sharp GX-30
