

COLLISION COURSE 2004

Release Date
March 2004

New and improved Collision Course! Race day and night through the city streets in the super quick F1 car, through the forest in the turbo charged rally car or cross the desert in the extremely tough 4x4. Avoid water and negotiate tunnels in this new updated version of the popular Collision Course game. Once completed, tracks are available for individual play. Are you up to the challenge?

In development for the following handsets:
Nokia 3510i, Nokia Series 40, Nokia Series 60,
Motorola V300, SonyEricsson Z1010
Sharp GX-10, Sharp GX-20
